

1. Dr. Neelambika Meti, A Co-Founder of an NGO, Smile Wellness Foundation, Pune, participated as a Resource person for a three days online Science workshop for national and international students in the age group of 9-16years from 7-9<sup>th</sup> July,2020. An attempt was made to spread the awareness of Science activities in day today life by demonstrating plants related experiments such as Herbarium technique for making wall hanging/ greeting cards, Hygienic cultivation of Microgreens, Doctarine of signature, Re-growing kitchen vegetables waste ( shoot meristems) with their basic concept and principles. Which are helpful for them to develop their skills in the utilization of naturally available resources in and around their home during lockdown period.

07/07/2020 Science awareness in day today activities, Mysteries-II Online Science workshop for children under 16years, In association with Smile Wellness Foundation, Pune
