Dear Dr Salunkhe,

Greetings of the day.

This is regarding your proposal submitted to the Department under BUILDER Cat I, you are hereby informed that it was considered in the Task Force Meeting held on 27th -28th May, 2020 and following recommendations were made:

“It was observed that the proposal was found to have a strong interdisciplinary component. The objectives mentioned in the proposal were well distributed among the participating departments and were achievable as per the time lines mentioned. It was also observed that the proposal was focused more on the PG teaching followed by research which was in consonance with the guidelines.”

In view of the above, the Task Force recommended the proposal with financial support as per the budget proposed.

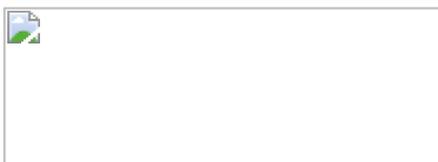

Budget Details: The overall budget is limited to Rs. 2.64 crores (Rs. 1.80 crores under Non-recurring and Rs. 0.84 crores under Recurring heads).

You are requested to take a note of the above recommendations and send us the requested documents (list attached) by 17th July 2020 for further processing of the case. The checklist and the documents requested should be clearly marked and a scanned copy sent via email followed by a hard copy by post. We understand that postal services are limited due to prevailing situation and thus it is important that all the documents are submitted via email well in advance. Yours sincerely,
